

Millpond Doodles Health Warrantee

We, at Millpond Doodles guarantee up to and no more than 48 months after the date of sale against known hereditary diseases that greatly shortens or affects the quality of the dog's life. A replacement puppy will be offered at our discretion or half the purchase price will be returned to the buyer - and the buyer keeps the purchased puppy. We will assume no shipping costs.

We must be notified within 3 days of purchase if there are any problems with the puppy. After 3 days, we will not be responsible for the puppy contracting worms, heartworm, coccidia, giardia, parvo, kennel cough or any other contagious or environmental diseases.

We require the puppy to be spayed or neutered between 6 and 12 months of age, be fed TLC whole life petfood or other breeder approved high quality food, maintain a healthy weight and has not allowed the developing joints to become over stressed, maintain annual immunizations including heartworm, and be provided with adequate housing according to jurisdictional law. Should any of these conditions not be met to our satisfaction this any warrantee become null and void.

Determination of what constitutes heredity defect it to be made by the unanimous agreement of a Veterinarian agreeable to both parties.

Both parties agree that this contract is the entire agreement between the parties and that no other agreements or terms related to the puppy purchase or warantee exists. We are liable for no veterinarian bills.

It is understood that mature size and weights are an estimate based on our experiences, and cannot be guaranteed.

If the dog is no longer wanted, and is returned in a clean healthy condition within the first month due to family breakdown, relocation or for any other similar reason, the purchaser will receive a 50% refund of the purchase price.
